

### SUPPLEMENTAL EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee. The following amendment is **in addition** to the Examiner's amendment filed 02/08/2010.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Dean Small on 04/22/2010.

The application has been amended as follows:

Page 21 of 25 of the Specification filed 3/2/04 (which is the second page labeled Page 20 of 39) is essentially a duplicate page to Page 20 of 25 of the Specification (which is the first page labeled Page 20 of 39) and is hereby cancelled.

For clarification, the first and second copies of the pages are identical except for a single passage, wherein the second page, on line 26 reads, "such as computer 1220 in FIG.1" and the correct first page refers to FIG. 12.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to HELENE BOR whose telephone number is (571)272-2947. The examiner can normally be reached on M-T 8:30am-6:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Long V. Le can be reached on (571)272-0823. The fax

Art Unit: 3768

phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
